Hi Sarah,

I know everything is crazy right now. We still need wire baskets on the south side of Plummer between Jordan and Owensmouth. I'd say three or four.

Thanks for your help.  
Colin

FYI,

Still no green wire trash cans on Plummer. And no additional ones on Jordan. The team has been leaving extra liners since last week, but no additional trash cans.

FYI, they should have plenty of trash receptacles. We deployed additional bins last week and left extra liners. We are servicing the bins daily M-F.

Good afternoon Colin,

Please see if you can get the Plummer street encampment on the schedule for Dept of Sanitation to come do a clean up again.

As you know, unchecked this gets out of control.

The tenant at the Picture frame shop works late and is very scared of the situation across the street.

The homeless come on the property looking in trash cans and is afraid of getting attacked  
What else can we do?

Do you have any suggestions?

Waiting for something bad to happen not an option, just a matter of when!!

More tents and more cars parked and hanging out.

Very disturbing condition.  
Thank You for your attention to this
